When the parent or guardian has given the student written permission to participate in a field or activity trip, the parent or guardian has waived all claims against the Los Gatos-Saratoga Union High School District and the State of California for injury, accident, illness, or death occurring during or by reason of said field and activity trip.

The District realizes that such a field and activity trip has certain risks involved. Every attempt will be made to safeguard students and equipment. However, no amount of precaution taken by staff can ensure the safety of a student if the student does not obey the rules, cooperate with staff and/or is unable to accept responsibility for his/her own actions.

Pursuant to Education Code Section 35330, I have read, understand and acknowledge all of the stipulations concerning the aforementioned field and activity trip.

I, the parent or legal guardian of the student named above, agree to absolve, release and hold harmless the Los Gatos-Saratoga Union High School District, its high schools and/or its instructors or other adults participating in the trip from any financial liability or claim for damages of any nature arising from the herein described field and activity trip.
